Après-ski at Rimrock Bar

THERE ARE FEW BARS IN BEND as elegant and close to the slopes of Mt. Bachelor as Rimrock Bar, conveniently situated within the full service Seventh Mountain Resort. The relaxing ambience of the refined lodge decor combined with a bar menu that satiates both thirst and hunger make Rimrock Bar one of the most popular Après-ski gathering spots in Bend during the winter season.

The exceptional cocktail menu has items that keep guests coming back. The friendly bartenders recommend the house favorites, The Best Bloody Mary or Seventh Mountain Margarita, and have little time to rest between orders of Rimrock Bars' signature cocktail, The Perfect Lemon Drop. Upscale bar appetizers and entrees are available from the Rimrock Bar and Seasons restaurant menu to enjoy in the comfort of the casual ambience of the bar, which overlooks the enchanting outdoor ice-skating rink of the Seventh Mountain Resort.

Guest enjoy the casual atmosphere at Rimrock Bar.

Indulge yourself with a gourmet appetizer of stuffed potato skins, Seventh Mountain of Cheesy Fries, a smoked salmon caesar salad or a warm bowl of green apple french onion soup. Then enjoy a Rimrock Bar entree of prime rib Philly or a black bean burger. Additional choices from Seasons gourmet menu include entrees of oven roasted vegetable Napoleon, golden fried Idaho rainbow trout, seared and stuffed Draper Valley chicken breast and New Zealand rack of lamb—entrees range from \$9.00 to \$31.00.

One of the more compelling reasons to visit Rimrock Bar is the sensational winter Après-ski from 3 p.m. to 5:30 p.m. daily. Yes, daily! Warm and filling appetizers—which vary seasonally—compliment the purchase of a discounted drink—\$2.00 beer and \$3.00 cocktails. Seventh Mountain Resort definitely goes out of its way to make Rimrock Bar “the” Après-ski spot after an invigorating day on the mountain.

The Wednesday Wine Night is an additional draw for wine lovers since all bottles of wine—up to \$80.00—are half price with the purchase of two restaurant entrees. Due to its outstanding wine list, Rimrock Bar was even a recipient of the Wine Spectator Award of Excellence.

Locals, visitors and ice skaters also congregate here to relax, watch sports or play a round of checkers while savoring a hearty pint of Guinness or the local seasonal brew. In true pub fashion, the ambience at Rimrock Bar invites guests to relax near the oversized fireplace or at the sleek granite bar to chat about the days adventures with affable bartenders and enjoy the local fare.

A warming cup of finely blended coffee, a refreshing cocktail, a gourmet meal or simply a hearty bowl of chili at Après-ski are all reasons to pay a visit to Rimrock Bar on your way back from the slopes or after a day of browsing in Bend.

Rimrock Bar is located within the Seventh Mountain Resort, 18575 SW Century Drive, in Bend. Open daily until midnight. For more information, visit www.seventhmountain.com or call (541) 693-9143. 5
